Good Afternoon PDI Attendees!

As our first full day of PDI 2015 comes to a close, we are thankful for the many volunteers and participants that made the Opening Session a great success. It was a very special and moving event.

We are extremely pleased to see new and returning faces to PDI. We hope that you have found great value in today's offerings and that you are taking advantage of the full, worthwhile schedule for the remainder of the week. Additionally, we offer our sincere congratulations to all of the USD(C) and ASMC National award recipients.

On the first day of the PDI Charity Raffle, you helped raise over \$4,200. Tickets sales end Friday at 1000, so be sure to buy your tickets to be entered in the raffle drawing. Raffle tickets sales help support our PDI 2015 Charity, the Bastion Group.

Attendees must wear their badges for access into all PDI 2015 events and programming.

Should you be in need of assistance while you are with us, please do not hesitate to contact an ASMC staff member or volunteer.

"Today's Opening Session was a very humbling and exciting event. I am very proud of the tireless work and countless hours that our numerous staff and volunteers have put forward.

My sincere gratitude to the Hon. Mike McCord for kicking off PDI 2015. We are thankful for your service and dedication to our nation."

~ Al Runnels, ASMC Executive Director
